THE HIDEAWAY

A SAM ABDUL PRODUCTION

Starring: Karl Redford, Kristen Matthews, Rev Sutton, Ty Russell, Randy White, Tyler Scott, Dallas Taylor, Carlos Montana, Eric Thomas, special appearance by John Simms.

Randy, a real estate agent, has an extra apartment that he lets his friends and clients use for their sexual liaisons. Ty and Karl use it first for a two-man suck-fuckfest. Randy gets to use his apartment but Dallas and Carlos show up and seduce him into joining them. Finally, Randy gets the apartment all to himself and decides to watch a video that features Tyler and Kristen. He enjoyed the time alone and decides not to let the apartment out to others. Eric and Rev shows up and try to persuade Randy to keep letting them use it. Great cast with good acting ability and sexual performances. Sets are simple but with good production value. The music is actually very good, especially the sexy guitar rifts. Make plans to spend some time in this hideaway.

THE ESCORT

A SAM ABDUL PRODUCTION

Starring: G.Q., Sean Davis, Andrew Colt, Grant Larson, Marc Saber, Joe Romero, Andrew Valentino, Terry Powers

The business is pleasure! Lately the business has been booming! Marc dispatches the prime choice of eager and versatile "dates" to a list of exclusive and demanding clients. Quality control is a job Marc excels at when sampling the hunky goods. G.Q. is the one of the lucky guys Marc gets to try-out in the office. Sean calls for an escort and Andrew shows up at Sean's door then shows "up" on the couch. Next, again at the office, Marc gets to test-drive Grant. Andrew, Terry, Joe and Grant then get together for a four-way. The production value was above average. The videography, sound and lighting is good as is the editing. The sexual performances were very good. The music was also very good. Let this one take you out and get you up.

KINFLICKS

BOOT BLACK

A HIS VIDEO RELEASE
Directed by CHI CHI LARUE

STARRING: Jake Andrews, Daryl Brock, Zak Spears, Tanner Reeves, Dallas Taylor, Matt Gunther, Mark West, Wolfe, David Logan, Brett Ford, Steven Turro, Alex Wild, Patrick Ryan, Rob Costa, Dirk Fletcher.

HIS Video and Chi Chi LaRue are going to take you to the Eagle, LA's raunchiest and nastiest leather/levi bar, and the only one with a back room. Your guide on this little foray into this world is Jake Andrews, the *Boot Black*. His job description includes a spit polish and high gloss shine. And his boot shining isn't too bad, either. You'll find him on the floor, down on his knees, in front of some of the horniest guys you'll ever meet. Be nice to him. Give him a good tip and smile, and he'll direct you to where the action really is.

This is a macho underworld of leather and sex, where the men don their Levis and strap on a little attitude. But it all comes off quickly. They're men on the prowl.

One of the best features of the video is directrix Chi Chi's pain-staking attention to creating a mood that's both dark, yet evocative. From the dim light and unusual camera angles, to the exceptional soundtrack that's punctuated by soft whispers, it all works together to create an almost subliminal effect that gets your hormones in non-stop motion.

Your first trip into the back room brings you face-to-face with Canadian stud Daryl Brock and Dallas Taylor, who keeps changing his appearance with every video. Daryl spies his prey, and then lunges in for the attack, leaving nothing to chance, and Dallas with no hope of escape. Again, it's the extensive use of camera angles and dark lighting that evokes an atmosphere of inescapable lust. These two men break us into this world none too gently, and soon we're caught as well.

The next scene is a four-way among three hot dark boys and a cock-pump. They're later joined by blond boy David Logan, who can't resist joining in on the action. Seeing these four men, clad in leather and Levis (and then nothing), each tugging at their cocks hoping to relieve that unstoppable pressure that horny men feel, will work up an explosion that can only result in a gusher of release.

Brett Ford comes in next, pausing only for a quick drink. He knows what he's here for, and it's not the beer. Tanner knows, too, and the two hit the back room faster than you can say, "Can I buy you a beer?"

Zak Spears finds a man strutting around, wearing only a jockstrap and an attitude. Zak quickly relieves the man of both, and we're pulled into action that gets even more hardcore.

But sometimes a man comes in that just can't wait to get to the back room. Men like Wolfe, Mark West and Matt Gunther, who are so horny they just do it right there in the bar. Even the boot black gets pulled in. He doesn't mind, though. He takes whatever tips are offered to him. This free-for-all orgy is the final scene, and probably the hottest.

Chi Chi has been releasing a line of winners recently, each wielding a different look, and a different style. There's little question that she's one of the most creative minds in the industry today. And there's no doubt that you'll enjoy your first stop in the world of the *Boot Black*, a world created by the mind of Chi Chi LaRue and brought to you by HIS.

WANTED

A CATALINA VIDEO RELEASE
Directed by CHET THOMAS

STARRING: Scott Randsome, Tim Barnett, Johnny Rey, York Powers, Anthony Gallo, Scott Wilder, Alec Powers, Cole West, Scott Russell, Greg Taylor.

What we have here are the makings of a genuine sexual thriller; sort of *The Fugitive* àla Catalina. With a storyline borrowed from classic murder mysteries, and Catalina's sure-fire formula of torrid hot men and cock-tugging sex, director Chet Thomas continues to bring us his usual serving of suspense and action.

Scott Randsome, in his debut hard-core role, is falsely accused of murdering his lover, Johnny Rey, and so he becomes *Wanted*. Scott Randsome is a hunk, with a body many of us could only dream of. Plus he's got quite a package hanging between his legs. It's unfortunate that he can't act, and he looks like he hates every moment he's having sex. He needs to loosen up considerably before he starts to generate the kind of sexual energy we can all see he's capable of. Fortunately, partner Johnny Rey seems really into it, and makes this scene a success.

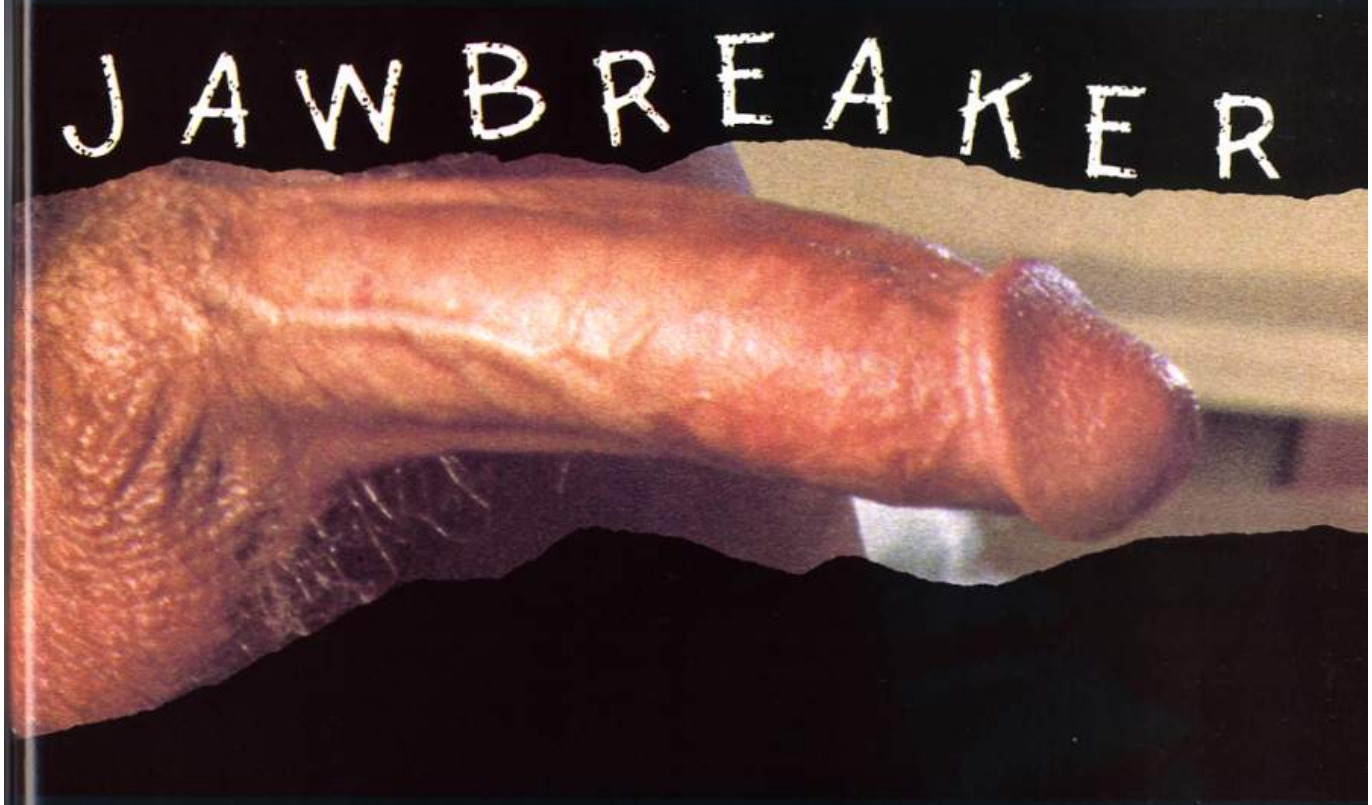
Meanwhile, York Powers plays the one-eyed man, serving his time in Jackson Country Prison. When prison guard Anthony Gallo makes his rounds, he takes his job seriously, and really checks York out. He puts down his billy club, but he's still carrying another dangerous weapon, and he keeps it right between his muscular thighs. Dark and ethnic, Anthony has a huge, uncut piece that he quickly puts to use on York, and York loves every moment he's sucking on it. When the two finish their play, I would have thought York would have been exhausted, but the wily criminal overpowers the guard, and makes good his escape.

In an attempt to find a place to hide, he happens upn Johhny Rey's place, and kills the poor blond boy just as lover Scott Randsome comes home—just in time to take the blame while the one-eyed man escapes. Detective Tim Barnett shows no mercy on this case, and it looks like the poor lad is on his way to the chair.

If you're seeing parallels between this movie and the movie version of *The Fugitive*, you're right. Right down the line, the story is the same, only interspersed with the kind of action that Hollywood and Harrison Ford didn't seem willing to do for us. But leave it to Catalina to take a winner and re-shape it into something a gay audience could much more easily appreciate!

Wanted lacks Catalina's usual polish, suffering from less-than-great acting, and even sloppy editing in some spots. But if it's men and sex you're really interested in, there's nothing amiss there. Catalina picks their men only from the finest that nature (and Gold's gym) has to offer.

JAWBREAKER



THE FLUFFER

A MALIBU SALES RELEASE
Directed by GENDER

STARRING: Dave Logan, Zak Spears, Ryan Block, Rob Cryston, Brett Ford, Hunter Scott, Mark West, Alex Wild.

If there is any job out there that's better than being a porn video reviewer, it's gotta be a fluffer! Writer/Director Gender shows us a little about this thankless and difficult (yeah, right!) position, in her newly released video, *Fluffer*.

Fluffer marks the debut of drag queen/performer Gender as a porn video directrix. Having spent years learning her craft under the auspicious tutelage of Chi Chi LaRue, you know she's got the right stuff to strike out on her own. Many of you may also remember Gender from her cameo performances in such videos as *Hologram* and *Body Search*. Always a charmer, and quite the performer, in this production she proves she can pull together a video that's every bit as good as anything else out on the market today.

Fluffer is also Malibu Sales' very first entry into the porn video market. Although they have been a part of the gay community for nearly ten years, they are best know as being a gay mail-order catalog.

Well, with both of these "firsts" put together, who knew what to expect? Well, you won't be disappointed.

This entertaining video, with its simple plot, centers around a small studio which specializes in shooting men—in their all-together and all-hard! But, when their model (Rob Cryston) fails to perform, cameraman Brett Ford decides it's time to call in an expert to solve the situation. Fortunately, Brett has a friend (Hunter Scott) who's up for the task, and is soon chowing down on Robby's pecker. Before you know it, there's a hard-on in the house, and the shooting can continue. Well, let's just say that all kinds of shooting take place. Geez, with a job like that, I'd never be late for work.

Strangely enough, Hunter is nowhere to be found the next day when Mark West has a problem doing his thing. So, Brett goes out on the streets of West Hollywood and brings in studly Ryan Scott to get things going again.

The video moves on through similar such scenes, but I think you get the point of the story. Fortunately, Gender manages to wrap enough humor into this package to stop it from being repetitive. She's collected an impressive cast of men to pull it all together, and the man-to-man action is all first-rate. Production quality is also very good, which makes this video a great first start for both Gender and Malibu Sales. Look forward to more from these two in the future. So, you might want to run down to your video store and see if the fluffer position is still available!

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS.** The **SUPRA-12** Vacuum Enlarger is the very zenith of technical
